

RULES

Please:-

Respect the soft furniture inside by putting towels to sit on if using suntan cream/oil.

No jumping in the pool after 9.00pm as the sound goes right down through the block - you may swim of course.

Do not drag furniture.

Leave your high-heeled shoes at the door.

Keep noise to reasonable levels as most of the people in the block are permanent residents and we prefer not to upset them.

IN SPAIN, IT IS AGAINST THE LAW TO HAVE LOUD MUSIC AFTER 12.00 MIDNIGHT. YOU MAY BE PROSECUTED.

If you need to use the air conditioning make sure all doors and windows to the rooms are firmly closed. **There is no need to leave the air conditioning on when you are not using the room, as the units are very efficient and will bring the temperature down very quickly- 30 minutes maximum.** Please respect this as the units are costly for us to run and we would like to be able to continue to offer this service at the current price.

Use the dishwasher and washing machine soaps provided (kept under the sink) to avoid any problems.

Make sure food is always sealed and put away. We don't want to encourage creepy-crawlies.

Do not take the towels provided to the beach.

Put all sun-bed covers and parasols away each evening as sudden winds can cause damage or loss.

Rubbish to be bagged up and put outside main door of block (Francisco Cano) after 8pm. It will be collected in the early hours of the morning.

Please note: Large Big Bags will need to go in the main rubbish bins on the Paseo Maritimo or the High Street. An extra charge will be made should excess rubbish be left in the penthouse on your departure.

Your co-operation in abiding by these rules is appreciated

We reserve the right to immediately terminate your stay in the event of any serious damage or disruption in the apartment.
